Kate, here are the grant awards for UIC - CA Dept of Conservation:

FY12 - \$489,000

FY13 - \$491,000

FY14 - \$579,000

.....Btw, this was not easy/possible via IGMS per my understanding, so I had to rely on my emails!!!

Hi George – there is a congressional inquiry about the amount of federal UIC \$ we awarded DOGGR – Class II UIC the last few years. Can you send me the grant award amounts for FY12, FY13 and FY14?

Thanks. Kate

I think it is fine that we get back to him tomorrow. Hopefully the link can be fixed so we do not have to e-mail the report. I'll let him know that I will follow up with him tomorrow. Thanks.

Hi Brent – Strange about the link. Will discuss with Bonnie. The Report is very large so emailing is really not an option. Will get link fixed. George Robin is the DOGGR Class II Grant PO and will have the exact amount. Will contact him today. Can we follow back with Jarred tomorrow? Or, do you need reply today? Kate

Please see the message below. <http://www.epa.gov/region9/mediacenter/uic-review/index.html>

I also tried the link he is referencing on our UIC website and it does not go to the

document.

June 2011: CA Class II Underground Injection Control Program Review (PDF) (490 pp, 14.4MB) 

Michael Jarred is also asking how much money U.S. EPA provide DOGGR to administer the UIC program. Do we have this figure for the last few years?

Brent,

Thanks so much for the information. Can you send me a PDF of the 2011 program review. I am having trouble downloading it. Also can you tell me how much money U.S. EPA provide DOGGR to administer the UIC program. Thanks again. Michael
